ORDER

THIS MATTER is before the Court on Defendant Marquis Cornelius Taylor's Motion to Terminate Supervised Release and Supporting Memorandum (Doc. 390) filed February 7, 2011. On December 29, 2008, Defendant began a five-year term of supervised release after having served a ten year sentence. The Probation Office recommends that this Court deny termination of supervised release. Pursuant to the discretion given to this Court by 18 U.S.C. § 3853(e), this Court determines that early termination of supervised release is not in the interest of justice.

IT IS THEREFORE ORDERED that Defendant's motion (Doc. 390) is hereby DENIED.

Signed: March 21, 2011

Richard L. Voorhees
United States District Judge
